

	<b>Title:</b> Environmental and Sustainability Policy	<b>Rev:</b> 6	<b>Date:</b> January 2020
---	--	------------------	------------------------------

Premier Lifts recognises its responsibilities to the environment.

The aim of the policy is to explain our intent to:

- Comply with current environmental legislation
- Consider and assess, taking action where necessary to continuously improve environmental practice.
- Emphasise to employees at all levels their own responsibility to the environmental well being, giving training and information where applicable.
- Display and provide this Policy to all employees including Sub-contractors.
- Audit environmental and sustainability performance.
- Review this policy taking in to consideration any audit findings annually as a minimum.

The Managing Director or Site Supervisor(s) will be responsible for implementing this Policy and, as far as is reasonably practicable, ensure that:

- Any work is carried out in accordance with this Policy.
- Measures are taken to prevent any land, water or air pollution.
- Noise pollution is kept to a minimum, as far as is reasonably practicable.
- Vehicle exhaust pollutants are kept to a minimum.
- Wild life and surrounding habitats, trees, flora, fauna archaeological and heritage remains are protected as appropriate.
- Material wastage is kept to a minimum, as far as is reasonably practicable.
- Water and energy are conserved and recycling of materials is promoted.
- Environmental accidents are investigated, dealt with and preventative measures are enforced to prevent further occurrences.

The Company's Quality and Health and Safety Consultants perform environmental audits and are responsible for notifying of any non-conformity that may arise.

Mr. A Larkin is the Managing Director and is responsible overall for the implementation of this Policy and its periodic review.
